ITEM 4: ADVISORY BUSINESS

Who we are

Kevin Kennedy, LLC (referred to as “we,” “our,” or “us”), has been registered as an investment advisor since September 2004. Our principal officer is Kevin Kennedy, Managing Member.

The firm is owned by the Kevin P. Kennedy and Teresa Kennedy 2005 Revocable Trust, of which Kevin R. Kennedy and Teresa M. Kennedy are the trustees.

Services we offer

We believe in building diversified, multi-asset class portfolios suited to your unique goals. Kevin Kennedy, LLC emphasizes the process of discovering and quantifying a client’s financial and life goals, and applying their wealth towards those goals.

We work with service providers to implement the portfolio allocations. A description of these programs is provided below.

SEI Managed Account Program

We participates in the Managed Accounts Program (“the Program”) sponsored by SEI Investment Management Corporation (“SIMC”). To participate in the Program, Kevin Kennedy, LLC, SIMC and each client execute a tri-party agreement (hereinafter, a “Managed Account Agreement”) providing for the management of certain investor assets in accordance with the terms thereof. In the Managed Account Agreement, you appoint Kevin Kennedy, LLC as your investment adviser to assist you in selecting an asset allocation strategy, which would include the percentage of investor assets allocated to designated portfolios of separate securities (each, a “Separate Account Portfolio”) and may include a percentage of assets allocated to a portfolio of mutual funds sponsored by SIMC or an affiliate thereof. You appoint SIMC to manage the assets in each Separate Account Portfolio in accordance with a strategy you select with Kevin Kennedy, LLC. SIMC may delegate its responsibility for selecting particular securities to one or more portfolio managers. The Program seeks to provide a globally diversified portfolio in order to meet your long term goals.

SEI Asset Management Program

In this program, SIMC provides advisory services to Kevin Kennedy, LLC (but not to the client directly) involving the structure and design of asset allocation portfolios comprised solely of mutual funds advised by SIMC. SIMC will not receive fees for this program other than fees received by the mutual funds in which client assets are invested. See the Other Costs Involved section of “Item 5: Fees and Compensation” for additional information.

SIMC selects the institutional investment management firms to act as investment managers of the underlying mutual funds. The managers are monitored by SIMC to ensure that their investment styles and performance remain consistent with the objectives of the mutual funds.

Rebalancing maintains the proper allocation to each asset class in the model. Rebalancing occurs automatically if the underlying mutual funds deviate from the prescribed quarterly allocation by greater

than a 2% variance. For tax-managed models, the variance is 3%. Rebalancing occurs quarterly with no transaction fees.

As economic or market changes occur, SIMC will make a quarterly review of its model allocations and may recommend changes in these model allocations to Kevin Kennedy, LLC. SIMC will only reallocate client holdings in model portfolios when instructed to do so by Kevin Kennedy, LLC.

Jefferson National

Kevin Kennedy, LLC may recommend that you obtain a variable annuity contract with Jefferson National Life Insurance Company. We will monitor and maintain the securities in the annuity on a non-discretionary basis and will receive an advisory fee, as disclosed in “Item 5: Fees and Compensation” in the section titled *Kevin Kennedy, LLC*. There will not be any other compensation received by Kevin Kennedy, LLC or related persons, for recommending this product.

Clients can use planning services in ways that best address their personal needs/goals. Clients may impose restrictions on investing in certain securities or types of securities.

We do not provide portfolio management services to a wrap fee program.

Assets under management

As of December 31, 2017, we manage assets of \$108 million on a non-discretionary basis. We do not manage assets on a discretionary basis.

ITEM 5: FEES AND COMPENSATION

Kevin Kennedy, LLC

Kevin Kennedy, LLC is compensated for providing advice based on the following schedule:

<u>Assets Under Management</u>	<u>Annual Fee Percentage</u>
\$0 to \$249,999	1.25%
\$250,000 to \$999,999	1.00%
\$1,000,000 to \$4,999,999	0.80%
\$5,000,000 and up	0.70%

Minimum annual fee: \$2,500

When calculating the management fee, assets held in all related accounts will be combined to determine assets under management and annual fee percentage.

Fees for management services provided to clients who choose not to use the SEI programs are as listed in above table, billed quarterly in arrears, based on the account value as of the last day of the quarter.

SEI Investment Management Corporation

SEI Managed Account Program

The fees payable to SIMC, which are in addition to the fees charged by Kevin Kennedy, LLC, range from 0.30% to 1.20% per year, based on the investment model. The fees are fully disclosed to each client at the time the agreement with SEI is signed.

Additional discounts may apply to any portfolio of \$5 million and above when multiple portfolio managers and/or mutual funds sponsored by SIMC or an affiliated are combined. There are no additional brokerage fees. All brokerage costs are included in the fees payable to SIMC. SIMC is the co-sponsor of this program and files a Schedule H of their Form ADV for this option.

An alternative option, which does not wrap the brokerage fees into the asset management fee, is available. The asset management fees for the US Equity accounts are decreased by 0.05%. The fees for the fixed income accounts are the same for both program options; additional brokerage fees do not apply for fixed income.

In addition to these fees, the client will pay Kevin Kennedy, LLC an asset-based fee based on the schedule shown above.

SEI Asset Management Program

SIMC will not receive fees for this program other than fees received by the mutual funds in which client assets are invested. Kevin Kennedy, LLC will receive an asset-based fee based on the schedule shown above.

Financial Planning

Financial planning services are provided for an hourly fee of \$250. We request that you deposit one half of the estimated fee when you sign the Agreement. You will receive an invoice for the balance of the services upon completion of the financial plan that is payable upon receipt. You may pay for financial planning services by check or cash.

You may cancel our financial planning agreement at any time by providing written notice. Upon cancellation, we will determine the amount due based on the time spent, apply the deposited amount and present you with an invoice or refund for the balance. Invoices are payable upon receipt.

We have a conflict of interest when providing financial planning advice. When you implement the financial plan through us, we receive the customary fees as disclosed in the following section. You are not required to employ us to implement the financial plan, or to implement the plan, or any portion of it, at all.

General Disclosures

The agreement you sign with SEI will require that you provide authorization for fees to be deducted directly from your investment account. Important information about the deduction of management fees:

- You must provide authorization for SEI to deduct fees in the contract.

- You will receive a detailed invoice each quarter as part of your regular quarterly account statement which outlines our fees and how they are calculated.
- You will receive a statement from SEI which shows all transactions in your account, including the deduction of our fee.
- You are responsible for reviewing the accuracy of the fees being billed, as SEI will not do so.

SEI Private Trust Company will debit your account on a quarterly basis for the fees and charges shown above. All fees are billed after services are provided. SEI will send Kevin Kennedy, LLC its portion of the fees, as disclosed above.

You may end our advisory relationship by providing written notice. We will prorate the advisory fees earned through the termination date and bill your account for the advisory fees due.

Other Costs Involved

We work you to develop an investment strategy. To implement the investment strategy we will introduce you to an unaffiliated third party investment adviser, SIMC as described in “Item 4: Advisory Business.” Kevin Kennedy, LLC may recommend, where appropriate, that you invest in SEI Funds, which are distributed by SEI Investments Distribution Co (the “SEI Funds”), a family of asset class mutual funds advised, managed and administrated by SIMC. Fees are not charged directly upon investments in the SEI Funds. SIMC receives certain fees and expenses directly from the SEI Funds for its services as disclosed in that Fund’s prospectus.

Additional information about brokerage costs and services is provided in “Item 12: Brokerage Practices.”

We believe the fees mentioned above are competitive; however you may be able to obtain similar services from other sources at a lower price.

If you elect to implement insurance recommendations through Mr. Kennedy, he will receive the normal and customary commissions.
